

Accelerate Patient Enrollment Efforts

Partner with our experienced call center team.

Flexible and Cost-Effective Solution

Our team recognizes that call volumes can fluctuate, creating challenges in determining the need for full-time staff. The expenses associated with hiring, training, and equipping personnel—combined with the unpredictable nature of call demands—can place a significant strain on resources.

Our outsourced call center service provides a flexible, on-demand solution without the burden of long-term contracts or commitments. Whether you require short-term support or ongoing assistance, we seamlessly scale to meet your needs.

Tailored Solution to Fit Your Needs

We understand that everyone has unique needs when it comes to call center support. Our team can provide a comprehensive set of services that include:

- Full medical history screening
- Data entry directly into site CTMS
- Study-specific eligibility screening
- Pre-screening appointment scheduling
- Appointment reminder calls and texts
- Warm patient transfers to site

Our Call Center Team

To maintain the highest standards of professionalism and compliance, our call center team is HIPAA, GDPR, and GCP certified, ensuring data privacy and regulatory compliance.

Transparent Pricing Model

We offer transparent pricing with no hidden fees or long-term contracts.

Project start-up: **\$499 per project**
